Re.: International Security (Aval)

We hereby agree to be main obligors in any obligation which you have at present or may have in the future ..... with Gestión Compañía Argentina De Seguros SA.

This security is extended to any and all the obligations the debtor may have in favour of this Insurance Company, being in force up to date, acquired matured or unmatured, outright or conditional, liquidated or unliquidated, and it is extended to its accessories, interests, commissions, taxes, expenses, judicial or extrajudicial costs, any other kind of debt in Argentine or foreign currency, regarding the guaranteed bonds issued by Gestión Compañía Argentina De Seguros SA Nº ..... in favour of

..... and for any other obligation which may have been issued in other way, since the above mentioned enumeration is simply enunciative but not restrictive. This security is extended to any renewal of policies issue or obligation taken within the effective term, although such renewals may exceed the maturity or the extension thereof.

Should any other security interest or guarantees and suretyships exist, it may not neither impede nor restrict the right of the Insurance Company to claim the payment of the debt even prior to their liquidation.

We hereby expressly waive the right to the benefits of notification or prior judicial order to pay a debt, benefits of discussion, division and counterclaim; protest and notice of protest; peremptory challenge, to enter any demurrer the debtor may be entitled to and any exception but no payment, being made in written bearing the authorised signature from the bank, and to subrogate to the rights of the Insurance Company against the debtor until the claim of such Insurance Company has been totally settled.

We hereby declare to know and accept the conditions established at the guaranteed bonds issued or operations made by and between this Insurance Company and the debtor and we expressly declare to know that the fact that any default of any obligation of our guarantee shall have as a consequence the expiration of all the terms which may exist related to any other pending obligation.

Likewise, our default to these presents shall entitle the Insurance Company to consider any of our obligations as matured and enforceable.

We hereby undertake to pay all claims, either in Argentine or foreign currency, according to instructions granted by Insurance Company, within 5 (five) days after receipt of notice by Fax, Telex or Swift, specifying that the guarantee has not totally or partially satisfied the undertaken obligations.

Likewise, we hereby inform that, according to current rules in ..... we do not need to acquire prior permission of any authority in order to grant this security.

To all judicial or extrajudicial effects that these presents may fulfil we constitute necessary domicile at ..... (to be constituted in Buenos Aires).

The laws of the Argentine Republic shall govern this security.

We hereby expressly accept to be involved in any judicial issue which may arise, to appear before the Ordinary Courts of the city of Buenos Aires, Argentine Republic, with waiver to any other venue or jurisdiction.

**Signature.**

1. This security shall be issued in letterhead paper of the guarantor.

2. Certify the signature before a Notary Public specifying position and power attorney.

3. To be certified before the Public Consulate of Argentine in the country of origin.
